Devilfish Gaming Announces New Payment Methods for Customers

Devilfish Gaming Plc ("DFG", "the Company"), the multi-channel branded online gaming business, today announces 14 new country-specific deposit and withdrawal methods for players at its online poker and casino site.

By adding a variety of country-specific deposit methods contained within the MoneyBookers solution to its site, Devilfish Gaming is giving players across Europe and internationally the chance to make safe, secure, and convenient deposits and withdrawals.

The full list of new deposit methods is:

- * Australia - POLi
- * Austria - EPS (Netpay)
- * Denmark - Dankort
- * Finland - Nordea Solo
- * Germany - Giropay, Sofortüberweisung
- * Ireland - Laser
- * Italy - Carta Si, Postepay
- * Netherlands - iDeal
- * Poland - P24
- * Spain - 4B, Euro6000
- * Sweden - Nordea Solo
- * Singapore - Enets
- * International - Diners

Paul Barnes, CEO, commented:

"These convenient new payment methods give an added bonus to our poker and casino players. It is testament to our commitment to safe and secure play and customer focus that we continue to expand the services we're bringing to our players."

20 March, 2009

About Devilfish Gaming

Devilfish Gaming Plc (Ticker "DEVP") takes its name from the well known poker professional David "Devilfish" Ulliott, who is active in promoting the business. Ulliott is one of Europe's best known, entertaining and recognised poker players with many large wins including World Series of Poker and World Poker Tour titles to his name. The company is publicly quoted, having floated on London's PLUS market in March 2008. The company does not accept wagers from the USA, but will do if the USA authorities allow it in the future.
